About this home

This spacious 1978 single family home in Huntsville offers a functional four bedroom and two bathroom layout. The interior features vaulted ceilings that create an airy atmosphere, complemented by durable linoleum and vinyl flooring throughout. The kitchen is fully equipped with an oven, microwave, and freezer, while the convenience of an in-unit washer and dryer simplifies daily chores. For year round comfort, the property utilizes a geothermal heating system and wall air conditioning units. Outdoor living is a highlight of this property, featuring a private swimming pool and a balcony or patio area for relaxation. The home includes a storage shed and a carport with one dedicated parking space. This property is pet friendly, welcoming cats as well as small and large dogs. Residents will appreciate the inclusion of electricity in the monthly rent, along with modern touches like a smart lock and solar power. The home is offered fully furnished and features step free entry and gated access for added convenience.
